(1) Do not take BTM 200, DESC 200 or INTE 290. They are not credited for students enrolled in Mathematics and Statistics programs. BSc students do not take CHEM 208.
(2) This suggested schedule is optimized for students starting in the Fall term. Students starting in the Winter term might have to make minor modifications to it.
(3) Students interested in COMP 249 should take COMP 248 instead of COMP 218.
